LET'S MEET YOUR BUSINESS GOALS !

ABOUT

LIFENCY is a consulting firm focused on Business Development in the Healthcare Industry.

We support clients of all sizes reaching their most challenging business objectives.

Our revolutionary approach, combining strategic thinking and operational activities, allows us to offer turnkey solutions from objective setting to achievement.

THE LIFENCY WAY

- As experts in the industry and experienced in its different sectors: pharma, biotech, life science, med tech and medical care, we're highly specialized in healthcare.
- We combine scientific and business competencies and bridge the gap between these two worlds.
- We use the methodological approach of science and the pragmatism of business.
- Our clients describe us as fast, result-oriented and trustworthy.
